

The St Alban Catholic Academies Trust is based in Luton, Dunstable and Houghton Regis and lies within the Diocese of Northampton. The Trust is home to a large 11-19 secondary school and four primary schools.

Our Trust is distinctive in that the schools are so close to one another that working together, sharing staff and sharing expertise is now second nature. We are so close we regard ourselves as more than a Trust, we are a family of schools. Within this family, it is our shared responsibility to spread excellence to all schools across the Trust.

We have vacancies within our family of schools for Classroom Teachers and Team Leaders passionate about their profession. You will join a Trust-wide team of highly motivated, creative staff who care about our children's pastoral care and academic development. We focus on each child as individuals, supporting their spiritual, social and physical development whilst ensuring their unique gifts are realised and celebrated.

In return for your commitment to our Trust, you will receive support from our experienced Leadership Teams, have Trust-wide opportunities for training and progression and be welcomed into a community that strives to celebrate the achievements of all. Above all, you will be welcomed into a family of schools that may provide the ideal home for your career as you grow both within a school and across the Trust.

*The St Alban Academies Trust is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment. Applicants must be willing to undergo child protection screening appropriate to the post, including checks with past employers and the Disclosure and Barring Service.*
