Tuesday 8th September 2026

Dear Parents and Carers,

Ofsted Report
June 2026

I am pleased to share with you the outcome of our recent Ofsted inspection, which took place on 30th June 2026. The final report has now been published, and I am delighted to say that St Margaret of Scotland Catholic Primary School has been judged to be providing a Strong Standard of education, with safeguarding fully met.

Inspectors recognised the inclusive, caring and ambitious culture that defines our school. They highlighted that “**children behave impeccably**” and that “**inclusive practice sits at the heart of this school**”. They also praised the high-quality teaching, strong curriculum, excellent behaviour, and the warm relationships between staff and children. Our children's achievement in reading and writing continues to be well above national averages, and disadvantaged children achieve particularly strongly.

The report reflects the dedication of our staff, the support of our families, and the hard work of our wonderful children. It acknowledges the significant improvements we have made in early reading, phonics, curriculum development and personal development. Inspectors noted that children are confident, articulate, respectful and enthusiastic learners who feel safe and valued. During the verbal feedback we received, the Lead Inspector described our school as “**a place where all children matter and they know they matter**”.

The improvement areas Ofsted highlighted are areas we are already working on, and we welcome the opportunity to strengthen them further.

I would like to thank you for your ongoing support. Our partnership with parents is central to the success of our school, and this report is something we can all be proud of.

St Margaret of Scotland continues to be a place where children flourish academically, socially and spiritually.

The full report is available on the Ofsted website, our website and is attached to this email, and we encourage you to read it in full.

Your sincerely,

Mr Chiswell
Headteacher
