Please note that although we will try to keep everything as planned there may be slight variation to prices or dates.

Dear Parents,

We have planned all of our trips and activities ahead of the start of the year to support and enrich the curriculum and your child's learning. We hope that this supports you to budget for this expense more easily throughout the year. These events have all been set up in your Scopay accounts to make it easy to pay little amounts off at a time. We really hope that this helps you all.

We hope that you find it helpful☺

If you feel you are not able to meet the costs of any of our planned activities, please call the office on 01582 723430 and ask to speak to Mrs Somes. Remember, if your child receives free school meals, they will get financial support towards trips. If you believe you may be eligible for free school meals please make an appointment to speak to the Family Workers on the above number.

Mrs Somes ☺

Headteacher
